Project Title: South Campus Specific Plan and Village West Drive Extension Project		
Project Applicant: March Joint Powers Authority		
Specific Project Location – Identify street address and cross street or attach a map showing project site (preferably a USGS 15' or 7 ½' topographical map identified by quadrangle name): Van Buren Boulevard and Village West Drive		
General Project Location (City and/or County): City and County of Riverside, California		
Project Description: The Project involves amending the March Business Center Specific Plan (SP-1), specifically the South Campus area, in order to shift the mix of land uses, which will result in similar environmental impacts as compared to (1) the South Campus development originally approved in 2003 (2003 South Campus); and (2) the currently approved South Campus development (Current South Campus). However, any environmental issues that were not addressed in the previous environmental documents for the South Campus Specific Plan, such as energy impacts and the Village West Drive extension, will be evaluated anew. The 2003 Focused EIR evaluated impacts of the 2003 South Campus's 514.9 acres of developable land and 111.6 acres of Park/Open Space. The proposed Project would reduce developable acreage by 87.9 acres to 427 acres and increase Park/Open Space by 28.7 acres to 140.3 acres. The proposed Project thus significantly reduces the developable acreage. The proposed Project also involves a request for Plot Plan approvals for the following components of the South Campus buildout: Commercial Parcel (61,336 square feet) Additionally, the SEIR analyzes up to 700,000 square feet of high-cube cold storage warehousing within the South Campus Specific Plan. The		

proposed Project is requesting text revisions to the definitions of “Wholesale, Storage and Distribution – Medium” and “Wholesale, Storage and Distribution – Heavy” to accommodate the cold storage use. etc), Building D (800,000 square feet), Dog Park and Paseo, Caroline Way, and Village West Drive Extension.

Identify the person or entity undertaking the project, including any private applicant, any other person undertaking an activity that receives financial assistance from the Public Agency as part of the project, and any person receiving a lease, permit, license, certificate, or other entitlement of use from the Public Agency as part of the project.

This is to advise that the ( Lead Agency or  Responsible Agency) has approved the above described project on January 27, 2021 and has made the following determinations regarding the above described project:

1.	<input checked="" type="checkbox"/> The project will have a significant effect on the environment.
	<input type="checkbox"/> The project will NOT have a significant effect on the environment
2.	<input checked="" type="checkbox"/> An Environmental Impact Report was prepared and certified for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
